Laxmi Nagar ,Delhi, India • +91 9910640986 • ayushdnfd1679@gmail.com  
www.linkedin.com/in/lakshya-kumar-singh-b52839263

## SUMMARY

Hardworking College Student seeking employment. Bringing forth a motivated attitude and a variety of powerful skills. Adept in various social media platforms and office technology programs. Committed to utilizing my skills to further the mission of a company. Knowledgeable in user interface, testing, and debugging processes. Proficient in an assortment of technologies, including Java, IIS, Tomcat, Postgresql, C++ & Typescript.

## WORK EXPERIENCE

Jul 2024 - Aug 2024

### Fullstack Developer Intern, Cantilever

- E-Commerce Website: Developed a full-featured e-commerce platform, implementing functionalities such as live product tracking, secure payment processing, and a seamless user experience. Utilized both frontend and backend technologies to deliver a robust shopping solution.
- News Website: Created a news aggregation website allowing users to search, sort, and view articles according to their preferences. Designed and integrated intuitive features to enhance user engagement and information accessibility.
- Gained hands-on experience in full-stack development, including database management, API integration, and responsive design.

## EDUCATION

Nov 2022 - Jul 2026

### Bachelor of Technology

Dr. Akhilesh Das Gupta Institute Of Professional Studies

- Bachelor in Information Technology

- |              |        |              |               |                   |
|--------------|--------|--------------|---------------|-------------------|
| • Javascript | • Java | • Typescript | • SQL/NoSQL   | • Firebase        |
| • Python     | • C++  | • MERN       | • Spring boot | • API Integration |

## Projects

End-to-End E-Commerce Website (<https://github.com/Lakshya-249/Cantilever-ecommerce.git>)

- Live Product Tracking: Enabled real-time tracking of orders for an enhanced customer experience.
- Product Reviews and Ratings: Integrated user review and rating system to help customers make informed decisions.
- Seller Console: Developed a comprehensive dashboard with charts for sellers to monitor performance and manage inventory.

Chat Application ([https://github.com/Lakshya-249/Chat\\_App.git](https://github.com/Lakshya-249/Chat_App.git))

- Real-Time Messaging: Implemented using WebSockets for seamless, live communication.
- Group Chats and Channels: Enabled users to create and manage groups and channels for organized conversations.
- Dynamic User Interaction: Supported real-time updates and notifications for an interactive chat experience.

Scheduler Service ([https://github.com/Lakshya-249/Schedular\\_Service\\_frontend.git](https://github.com/Lakshya-249/Schedular_Service_frontend.git), [https://github.com/Lakshya-249/Scheduler\\_Service.git](https://github.com/Lakshya-249/Scheduler_Service.git))

- Schedule Management: Allows users to create and manage both recurring and non-recurring schedules.
- Email Notifications: Sends automated email reminders one hour before scheduled events.
- User-Friendly Interface: Provides an intuitive platform for efficient schedule planning and organization.

She Share Travels (<https://github.com/Lakshya-249/SheShareproject.git>)

- Women-Only Platform: Facilitates room sharing and rental exclusively for women across India.
- Secure and Trustworthy: Offers verified profiles and community reviews for safe accommodation options.
- User-Friendly Interface: Simplifies the process of finding, booking, and managing shared accommodations.

## EXTRA-CURRICULAR ACTIVITIES & ACHIEVEMENTS

- Walmart USA Advanced Software Engineering Virtual Experience Program on Forage - July 2024
- J.P. Morgan Software Engineering Virtual Experience on Forage - July 2024
- VIHAAN 007 Hackathon, IEEE Delhi Technical University
- Projects - <https://github.com/Lakshya-249>
